

## Faculty Biography Form

**Hispanic/Latina Women in Medicine: Critical Needs for Empowerment and Transformation in Practice 2024**

September 13-15, 2024

---

**Evamaria Anvari, M.D.**  
**Senior Associate Consultant**  
**Mayo Clinic**

Dr. Evamaria Anvari is a Senior Associate Consultant and faculty with the Division of Nephrology and Transplant at Mayo Clinic Arizona. She did her medical school training at Universidad Autonoma de Guadalajara School of Medicine, residency in Internal Medicine at Texas Tech University Health Science Center, and Nephrology fellowship at University of Arizona. She also did an Ultrasound mini fellowship at Emory University. She was a faculty at Cleveland Clinic Foundation before joining Mayo Clinic in Arizona. Her clinical interests are in lupus nephritis and renal vasculitis besides other autoimmune renal conditions and Point of Care Ultrasound. Dr. Anvari's contributions to the medical field, particularly in the realm of Lupus Nephritis, reflect a deep commitment to improving patient outcomes through rigorous research and clinical excellence.
